

RENAULT GRAND SCENIC & SCENIC

WHY RENAULT?

For the past 100 years, Renault has been one of the motor industry’s most notable innovators. But we have never been motivated by a purely abstract notion of progress. Our objective has always been a purely practical one: to serve the needs of the people who use our vehicles. We know that it is not for people to adapt to our cars, but for our cars to adapt to people.

This is why we believe, for instance, that a response to the environmental challenges of the 21st century should involve a lot more than taking measures to reduce CO₂ emissions. Every motor vehicle has an impact upon the environment, not only during its service life, but before and after it as well. This is why Renault eco² vehicles are produced in environmentally responsible, ISO 14001-certified factories, it’s why our eco² cars emit less than 140g of CO₂ /km and why they are not only 95% recyclable but actually use already-recycled plastic materials in their production.

Reassuringly, the occupants of today’s Renault cars are protected more completely and more effectively than ever before. The effectiveness of our innovative new safety systems is underwritten by rigorous analysis and testing. And equally importantly, having established that the systems truly do work, we fit them “as standard” to every vehicle we make. As a result, Renault is the only marque in the world able to offer 10 vehicles with the maximum rating of 5 stars in the Euro NCAP*crash tests.

In our view, progress is not progress unless it is shared by all. This is why every Renault offers a unique combination of build quality, comfort, road holding, ergonomics, safety and environmental protection “all under the banner of the Renault standard. And if that title sounds a little ambitious, its intention couldn’t be clearer“ it is, quite simply, to make your life better.

* An independent body; results measured for adult occupants.

THE RENAULT GRAND SCENIC 7 SEAT:
A CAR FOR THE WHOLE FAMILY.
AND IF ITS SIZE WEREN'T ENOUGH
TO PERSUADE YOU, THE GRAND SCENIC
DOTS THE I'S AND CROSSES THE T'S
FOR INNOVATION AND TECHNOLOGY,
WITH UP TO SEVEN SEATS
AND ENDLESS STORAGE OPTIONS.
A CAR FOR ALL JOURNEYS.

SLEEK STYLING AND DRIVING PLEASURE

WITH FLEXIBILITY AND COMFORT...
NEW GRAND SCENIC HAS IT ALL.

With its striking lines and fluid design, the New Grand Scénic has dynamic, distinctive styling. Its sloping roofline and boomerang-shaped rear lighting add to its overall streamlined looks. And the New Grand Scénic stands out as one of the roomiest compact seven-seat people carriers on the market.

TO GIVE YOUR FAMILY AND FRIENDS A LIFT,

NEW GRAND SCENIC SEATS UP TO SEVEN.

SPACE FOR FREEDOM

FRONT AND REAR.

The New Grand Scénic offers innovative space for your active lifestyle. Comfortable, roomy and adaptable, no one is left out. Even third row passengers, (whose seats can be folded away), enjoy easy access, generous headroom and class-leading legroom. Quite simply, the New Grand Scénic beats everything else for third row spaciousness. And thanks to the fold-down, sliding second row seats, the New Grand Scénic can easily carry all types of loads. Its generous boot can hold up to 702 litres and once the second row seats are removed, this capacity increases to over 2,000 litres. Big enough for any challenge that daily life throws at it.

WHEN YOU NEED MORE SPACE,

YOU'LL BE GLAD YOU CHOSE NEW GRAND SCENIC.

STORAGE FOR EVERYTHING

OVER 40 SOLUTIONS.

FOR FAMILY TRAVEL...

THE FUTURE STARTS TODAY.

PRACTICAL TECHNOLOGY

TO HELP YOU EVERY DAY.

Let's start with TFT (Thin Film Technology) - exclusive to the New Grand Scénic. Behind these three letters lies the future of the dashboard. Turn the ignition on and the colour screen offers a clearer, more detailed range of information than the traditional dials and indicator lights, automatically displaying the right information at the right time. You can even customise the look of the dashboard and display colours to suit you.

And because it's not always easy to park in towns, tight spaces or busy car parks, New Grand Scénic has combined the audible parking proximity sensor with two visual parking systems. The reversing camera displays an image on a colour screen to pinpoint any obstacles accurately. Then, radar sensors signal the presence of the obstacle, using repeated beeps which increase in frequency the closer the car gets to it.

SAFETY FOR YOU AND YOUR PASSENGERS

WHEN YOU HAVE SEVEN SEATS, YOU CAN BE SEVEN TIMES MORE DEMANDING.

Naturally, being a Renault, safety for all is paramount. With stable and reassuring roadholding, the New Scénic is equipped with driver aids designed to maximise control: ABS braking, ESP (Electronic Stability Programme) and ASR anti-skid control... the list goes on. Then, there's the third generation Renault SRP (System for Restraint and Protection), which gives you six airbags (two auto-adaptive frontal, two lateral with thorax and pelvis protection and two curtain) and pretensioner seatbelts for front and rear seats.

FAMILY LIFE HAS DIFFERENT DEMANDS...

JUST AS WELL THAT NEW SCENIC COMES IN TWO DIFFERENT LENGTHS.

**RENAULT SCENIC
MAKES LIFE EASIER.
RESPONSIVE, FOR TRUE
DRIVING PLEASURE.
WELCOMING, IT REDEFINES
SPACE AND COMFORT.
WITH INTELLIGENT,
PRACTICAL TECHNOLOGY.
WHY MAKE THINGS COMPLICATED
WHEN YOU CAN MAKE THEM SCENIC?**

A GRAND DESIGN

WITH ALL THE SPACE YOU NEED.

Family life has different demands - just as well that the New Scénic comes in two different versions: Grand Scénic 7 Seat and Scénic 5 Seat. As well as being easy to manoeuvre and a pleasure to drive, New Scénic also looks good. The central grille is flanked by satin-effect chrome finish air intakes. These stylish looks are reinforced by the sleek and elegant headlights. And the front bumper, with its strong, dynamic design, accentuated by side protective mouldings and a high beltline “ is a tell-tale sign of its outstanding safety.

TAILOR-MADE

FOR COMFORT AND SPACE.

With the New Scénic, ergonomics take on a new dimension. It's simple: no other vehicle in its class pays so much attention to your comfort and that of your passengers. The driver's seat offers a wide range of controls enabling everyone, regardless of shape and size, to travel in safety and benefit from the exceptional visibility the New Scénic offers. The centre console houses controls that fall easily to hand, while in the rear, space is extremely generous in terms of headroom, legroom and width. Making the most of this huge space, the New Scénic offers a class-breaking 80 litres storage capacity.

NAVIGATION AT YOUR FINGERTIPS

CARMINAT TOMTOM TO KEEP YOU ON TRACK.

Fitted with the new integrated navigation system developed exclusively by Renault and TomTom®, the New Scénic makes navigation a breeze. World-leading satellite navigation manufacturer TomTom® is renowned for its user-friendly equipment. Simple to operate and update, this new navigation system warns you of danger areas and speed restrictions. It also provides continuous guidance, even when the satellite signal is lost, and is an integral part of the dashboard. No more giveaway wires or suckers on the windscreen... it's made to match the interior design perfectly, and gets you to your destination with ease.

RESPONSIBLE PERFORMANCE

WITH ROADHOLDING TO KEEP YOU ON TRACK.

Exceptional roadholding, for exceptional driveability: that's the aim. With the front and rear wheels at equal width, the New Scénic offers unrivalled balance and directional stability. The comfort and precision are equally superb on bends and wet surfaces. For responsiveness, it's backed by understated, high-performance engines that accelerate freely, particularly with the dCi 160 diesel and TCe 130 petrol. All engines promise reduced consumption and CO₂ emissions. New to the Scénic is a CVT (continuously variable transmission) gearbox that can be matched to the 2.0 VVT 140 engine. CVT transmission gives a smooth, efficient and quick rate of acceleration. Also available is the dCi 150 engine which comes with a 6-speed sequential shift proactive gearbox. So with the New Scénic, a people carrier can be environmentally responsible and rewarding to drive.

New Grand Scénics and Scénics carrying the eco² symbol meet three criteria: they produce CO₂ emissions at or lower than 140 g/km (as low as 135 g/km on the dCi 86 engine), they are manufactured at Maubeuge, an ISO 14001 certified factory, minimising their environmental impact, and they are 95% recyclable with 6% recycled plastic in their plastic mass.

With eco², Renault displays its environmental commitment at every stage of the life cycle of the vehicle. The vehicle has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy), and that pollution control at the end of the vehicle's life (in particular extraction of fluids) is made easier. Furthermore, this vehicle has parts made of recycled plastic and renewable materials.

COMFORT

1. SUNROOF

The large electric sunroof, which opens at the front, allows as much light as possible into the interior.

2. LIGHT AND RAIN SENSORS

Enable automatic headlight illumination and activation of the front windscreen wipers when conditions dictate.

3. DUAL ZONE CLIMATE CONTROL

The dual-zone climate control allows the driver and front passenger to select a temperature to suit them. 'Auto' mode provides balanced temperature control, and 'Fast' or 'Soft' modes can be selected to adjust the temperature or noise level as desired.

4. FRONT SEATS

Adjustable electric and heated.

5. ELECTROCHROME REAR VIEW MIRROR

Progressively darkens as the level of light increases to prevent dazzle.

6. FRONT SUN VISOR AND READING LIGHT

Offer comfort and convenience, for both day and night driving.

7. SECOND ROW LATERAL AIR VENTS

For added comfort, rear passengers can adjust their own ventilation settings.

8. ADAPTABLE HEADRESTS

With lateral, height and tilt adjustment for supreme comfort.

9. SUNBLINDS

For thermal insulation and increased privacy for second and third row passengers.

TECHNOLOGY

5. CRUISE CONTROL AND SPEED LIMITER

The cruise control function allows you to set a cruising speed or maximum speed using controls on the steering wheel. Information is displayed on the LCD screen with TFT (Thin Film Technology). For example, with cruise control, your 'set' speed is shown in a green strip. If you exceed this speed, the strip turns red.

1. HANDS FREE RENAULT CARD

Just keep the card with you, and the car will unlock and the ignition will start automatically. If you move away from the vehicle, the doors will automatically lock.

2. CLASSIC BLUETOOTH® NAVIGATION AND 3D SOUND BY ARKAMYS®

The digital sound processing customised by Arkamys® for the New Scenic comprises eight 140W speakers that provide high-quality 3D sound. Volumes can be adjusted using 'Driver only' and 'Silent at rear' functions.

3. BLUETOOTH® DVD

Managed from the multimedia central control panel, the Bluetooth DVD combines a range of functions: a cutting-edge navigation system with European maps on DVD and 3D view, a high-performance, dash-mounted audio system with MP3-compatible 6 CD changer, a hands-free Bluetooth® telephone console, USB connection and multi-functional TunePoint. All information is displayed on a 7" colour screen.

4. MULTI-FUNCTIONAL TUNEPOINT

Connect your digital MP3 player using the USB and iPod® ports, and control the system using the steering wheel controls.

6. FRONT AND REAR PARKING PROXIMITY SENSORS

Making parking manoeuvres easier: the parking proximity sensors alert you to any obstacles in front or behind with a sequence of beeps that get faster as you approach the object, combined with a visual warning on the LCD screen.

7. AUTOMATIC PARKING BRAKE

When the engine is turned off, the handbrake is automatically engaged. When you move off, the handbrake is released.

THE SCENIC EXPERIENCE

- 1. NEW GRAND SCENIC BOOT**
With a storage capacity of up to 702 dm³ (the repair kit frees up additional storage space under the floor).
- 2. ACCESS TO THIRD ROW SEATS**
The outer seats in the second row are easy to move forwards and backwards, giving you easy access to the third row of seats.

3. MAP POCKETS
On the backs of the front seats, the map pockets provide rear passengers with maximum storage space. With two small pockets for crayons and a large pocket for books, games, etc. the kids will love it!

3. AVIATION TABLE
Fitted on the backs of both front seats, with cup holder.

4. THIRD ROW STORAGE
Each third row passenger has their own cup holder, and the passenger on the left even has a closed storage box that can hold a volume of 2.2 litres.

5. SLIDING CENTRE STORAGE
With its many compartments, the sliding centre storage console is both practical and ingenious. The storage capacity is a very generous 8.4 litres* or 9 litres**. Ideal for keeping essentials close to hand, the armrest can also be used to store your smaller items.

6. GLOVE BOX
The generously proportioned 11-litre glove box is lit and cooled.

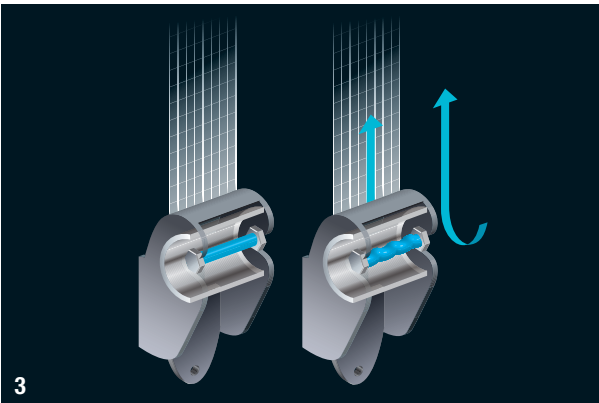

SAFETY

1. BI-XENON DIRECTIONAL HEADLIGHTS
The headlights provide an intense light closely resembling daylight, making it easier to anticipate hazards and stay in control. What's more, the light beam follows the angle of the steering wheel to light bends in the road and take corners with greater precision and control.

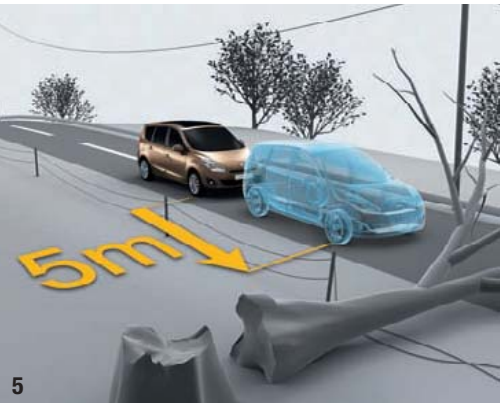

2. FRONT FOG LIGHTS
Improve visibility in foggy or rainy conditions.

3. SEATBELTS
To reduce the force of impact, the system uses a dual pretensioner in the front seats.

4. ESP (ELECTRONIC STABILITY PROGRAMME)
Works with ASR Traction Control and Understeer Control to maintain vehicle stability under difficult driving conditions.

5. ABS (ANTI-LOCK BRAKING SYSTEM) WITH EBD (ELECTRONIC BRAKE DISTRIBUTION)
Combined with Brake Assist, these systems help the driver keep control of the vehicle.

ADAPTABILITY

NEW GRAND SCÉNIC 7 SEATS
The boot of the New Grand Scénic is huge, offering storage space of up to 702 dm³.

SCÉNIC 5 SEATS
The New Scénic has a loading capacity of up to 555 dm³.

Both versatile and practical, the interior of the New Grand Scénic can be altered to suit you. Whether travelling as a family or with friends, or carrying bulky loads... it adapts to all your needs. With New Grand Scénic, you have the ultimate in flexibility, comfort and convenience.

The New Scénic has five individual seats and is just as practical and adaptable as the New Grand Scénic. Fold your seats up or down as you like... it really is that easy. Shifting equipment, having a last-minute weekend away... space will never be a problem.

ACCESSORIES

1. TOW BAR-MOUNTED CYCLE CARRIER AND ROOF BOX
The tow bar-mounted cycle carrier provides easy access to the boot via its folding function. The Touring Line roof box can be mounted onto existing aluminium roof bars.

1

2

2. ALUMINIUM ROOF BARS*
Sturdy and totally in keeping with the design of your New Scénic, the Touring Line aluminium roof bars are easy to install and can be fitted with a range of other Renault accessories.

3. SWAN-NECK TOW BAR
With the swan-neck towbar the towball is part of the neck. This type of bar looks neat and tidy, and it is possible to dismantle the ball-joint with tools.

3

4

4. QUICK RELEASE TOWBAR
This towbar retains the aesthetic lines of your New Scénic, as it can be removed without tools in a matter of seconds.

* Check with your Renault Dealer for availability

5. 'AVANZA' ALLOY WHEELS
Designed for both appearance and safety, the 'Avanza' alloy wheels will give your car a customised look, adding elegance and dynamism.

5

6

6. KIDFIX CHILD SEAT
Designed for children of between 4 and 10 years old, it is front-facing and comes with or without ISOFIX mounting.

7

7. MULTI-FUNCTIONAL TUNEPPOINT**
Allows you to connect and control your digital music player using the radio controls on the steering wheel, whilst the jack allows you to connect any audio source whatsoever.

** Check with your Renault Dealer for availability.
Only available on selected models.

1. DEFLECTORS

Allow you to drive with the windows down, without the wind and rain causing you discomfort.

2. MUD FLAPS*

Front and rear mud flaps protect the bodywork from scratches caused by gravel or mud on the road.

3. ARMREST STORAGE*

Fitted to the back of the central armrest thanks to a built-in hook, this offers handy additional storage space.

4. PORTABLE STORAGE BOX*

Positioned in the rear central seat, this useful box can also be used as an armrest.

5. 'NOMAD' COOLBOX

Keeps food and drinks cool during long journeys. Easy to carry, this accessory attaches to the seat using the rear seatbelts.

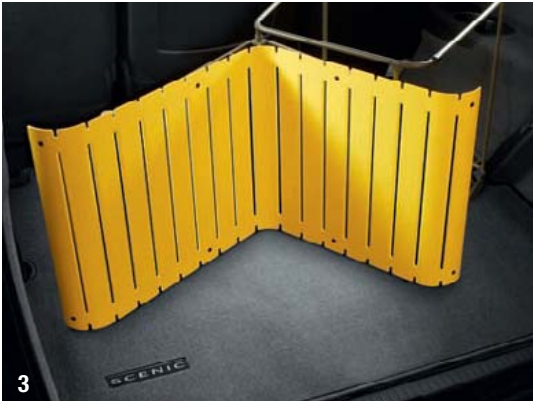

1 AND 2. FLOOR MATS

Made to measure and 100% in keeping with the original trim, Renault mats are of the highest quality and complement your vehicle's carpet.

3. REVERSIBLE BOOT CARPET

Designed specifically for your New Sc enic, the reversible boot carpet (one side carpeted, the other side rubber) helps keep your boot clean, whatever you are transporting.

4. TEMPORARY BOOT PROTECTORS

The made-to-measure protectors are the perfect way to temporarily protect your boot from damage and spills. When they are not needed, they are easy to store away in a compact case.

5. BOOT BOX

Designed specifically for your New Grand Sc enic, the boot box is anti-slip and can be wiped clean.

* Check with your Renault Dealer for availability

EXTREME
Modern and discreet.
New Scenic Extreme has stylish 'Squares' upholstery in dark grey (1), and offers air conditioning and a height adjustable driver's seat as standard.

1

2

EXPRESSION
Comfort and well-being.
For made-to-measure comfort, the driver's seat and headrests can be adjusted in a number of ways. Available in dark (2) interior trim with 'Pleven' upholstery.

DYNAMIQUE & TOMTOM EDITION
Sporty and practical.

The dark charcoal leather steering wheel, chrome door handles and dash-mounted multi-function colour screen with TFT technology enhance the New Scenic's character. The upholstery is available in dark charcoal cloth (3) or leather (4).

3

4

PRIVILEGE
Sophisticated good looks.
Dual zone climate control and electric folding door mirrors emphasise the style and elegance of the New Scénic. The upholstery is available in mocha or beige cloth, or optional mocha (5) or beige (6) leather upholstery.

ENGINES

dCi 106
Offers torque levels and optimum power as well as an extremely reasonable consumption rate. With the best ratio of economy to driving pleasure on the market, it emits less than 140g of CO₂ g/km.

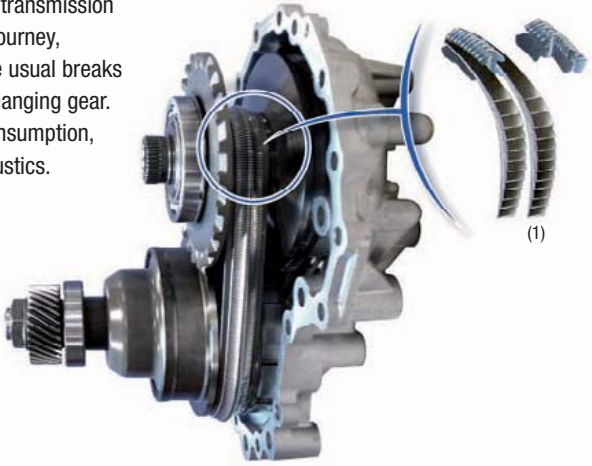

dCi 130
This astonishingly powerful and quiet engine uses the best of dCi technology in combustion and supercharging. Fitted with a particle filter, it emits less than 150g of CO₂ g/km at 130 hp.

dCi 150 FAP AUTO AND dCi 160 FAP
These engines offer a top performance/consumption ratio and outstandingly quiet running.

CONTINUOUSLY VARIABLE TRANSMISSION (CVT)

A continuously variable transmission makes for a smoother journey, as there are none of the usual breaks in acceleration when changing gear. It also improves fuel consumption, CO₂ emissions and acoustics.

(1) 2 pulleys of varying diameters in the mechanism's housing held together by a steel belt.

NOTE: Where two figures are shown, first figure = Scénic, second figure = Grand Scénic e.g. 174 / 177
* Available on Scénic only

New Scénic ^{RENAULT}eco² meets three criteria:

- the vehicle produces CO₂ emissions lower than 140 g/km or operates on biofuels,
- it is manufactured in an ISO 14001 certified factory, minimising its environmental impact,
- and it includes at least 5% recycled plastic in its plastic mass.

With ^{RENAULT}eco², Renault displays its environmental commitment at every stage of the life cycle of the vehicle. The vehicle has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy), and that pollution control at the end of the vehicle's life (in particular extraction of fluids) is made easier. Furthermore, this vehicle has parts made of recycled plastic and renewable materials.

RENAULT MOBILITY

As the market leader in safety, with ten vehicles in the range scoring the maximum five stars in the Euro NCAP safety tests, Renault offers an extensive range of models through the Motability scheme. With our advanced design technology, all of our models can be cost effectively adapted by Motability Accredited Specialists to meet the particular needs of a disabled driver or user. At your nearest Motability Accredited Renault Dealer, you will find a commitment to personal service, facilities for easy access including ramps and wide doors, plus expert assistance from Motability specialists. If you'd like more information about these special services or about a specific vehicle adaptation, put us to the test right now by calling Renault Corporate on 0800 387 626, contacting motability@renault.co.uk or visiting www.motability.renault.co.uk.

WHO BETTER THAN RENAULT TO SERVICE YOUR RENAULT?

Your new Renault is covered by a 3-year warranty package - the first 2 years of unlimited mileage Renault manufacturer warranty, followed by a further year of cover up to 60,000 miles. This requires full servicing history according to Renault UK approved current standards. Paintwork is also guaranteed for 3 years while the anticorrosion warranty runs for 12 year (Master anti-corrosion warranty runs for 6 years). In addition, the Renault Assistance plan ensures prompt help in the UK and Northern Ireland for manufacturer defects for 24 months (36 months for light commercial vehicles, or cars registered before 1st September 2006).

FINANCE OPTIONS

There are a wide variety of ways in which the purchase of a new car can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or a private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

SERVICE INTERVALS

12,000 miles / 1 year:

- 1.2 TCe 100 engine
- dCi 65, dCi 68, dCi 84 and dCi 86 engines
- Renaultsport versions
- Laguna Petrol Turbo engines
- Espace Petrol Turbo engines, 3.5 V6 Auto and V6 dCi Auto engines

18,000 miles / 2 years:

- New Mégane - all engines except dCi 86

12,500 miles / 2 years:

- New Mégane dCi 86

18,000 miles / 1 year:

All other engines in the range.

Note: an additional oil change is required for all E85 engine models
Mégane 1.6 VVT E85 - every 9,000 miles
Clio 1.2 16V E85 - every 6,000 miles

ENGINES WITH OIL CONTROL SYSTEM (OCS)

- 1.2 TCe 100 engine.
- 2.0 TCe 180
- dCi 106, dCi 110, dCi 130 (manual only on Scénic/ Grand Scénic), dCi 150, dCi 175 and dCi 180 engines.

OCS monitors driving conditions that directly affect the quality of your engine oil, protecting your diesel or petrol engine from premature wear.

OCS allows Renault to extend service intervals for diesel engines from 12,000 miles/ 1 year to 18,000 miles /1 year* providing reduced maintenance costs for your vehicle.

*except Renaultsport models which remain at 12,000 miles/1 year

RENAULT FOR YOU

Renault For You is a collection of products designed for making motoring easy:

- Extended Warranty for New Vehicles allows you to extend your Renault Warranty up to 5 years or 80,000 miles.
- Extended Warranty for Used Vehicles.
- Renault Assistance Added Cover provides you with the services of the AA for certain problems that are not covered by Renault Assistance: punctures, incorrect (or lack of) fuel, keys lost, stolen or locked inside the vehicle, road traffic accidents, incidents involving caravans and trailers.
- MOT Test Warranty offers you protection should your car fail its MOT Test. For further information about these products, ask your Renault Dealer or simply log on to www.renault.co.uk and click on 'Owner Services', where you can purchase all of them securely online.

RENAULT ACCIDENT SUPPORT LINE - 0800 085 8005

The Renault Accident Support Line (RASL) is a dedicated service from Renault for all Renault drivers and their families, no matter what car they drive. This service is available at no cost to you, regardless of fault. RASL will deal with every aspect of your claim, from ensuring you are recovered to a Renault Approved Accident Repair Centre to dealing with all insurance companies giving you total convenience and peace of mind.

0800 085 8005 is the only number you need so please programme it into your phone and make sure that in the event of an accident you call us first and we will take care of everything.

RASL will:

- Arrange recovery of your vehicle from the scene of the accident to a Renault Approved Accident Repair Centre
- Organise the repairs at a Renault Approved Accident Repair Centre using only Renault Original Parts
- Deal with all insurance companies, both yours and the other parties'
- Provide a like for like replacement vehicle if the accident is not your fault
- Pursue the at fault party for all associated costs if the accident is not your fault
- Use the same paint as during manufacture
- Provide a 5 year repair guarantee on paint and repairs
- Ensure you do not have to pay a policy excess if the accident is not your fault
- Provide the same service for your family free of charge regardless if their car is a Renault or not
- Ensure that yours and your passengers' safety are guaranteed and your five star NCAP rating will not be compromised

RENAULT NETWORK SERVICES

No-one is better placed than Renault to maintain, fit and repair your Renault, fast. The Renault Minute (maintenance and repair with no appointment necessary) and Renault Rapide Bodycare (bumper scuffs, dings and dents, windscreen, stone chips and interior repairs...) services deliver the highest level of repair and maintenance and offer a full year's guarantee on Original Renault Parts. And don't forget to have a look at our wide range of additional equipment and accessories!

RENAULT INSURANCE

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car.* In addition to a very competitive premium, Renault Insurance also includes: a free 24-hour accident recovery programme; Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Renault Car Insurance:

0845 603 8256

www.renaultinsurance.co.uk

Renault Van Insurance:

0845 603 8258

www.renaultvaninsurance.co.uk

Renaultsport Insurance:

0845 603 8257

www.renaultsportinsurance.co.uk

Lines open 8am - 8pm weekdays, 9am - 2pm Saturdays. Calls may be recorded. Terms and Conditions apply. All quotes are based on individual circumstance and subject to insurers underwriting criteria. Renault insurance is arranged and administered by Equity Insurance Brokers Limited, which is authorised and regulated by the Financial Services Authority. Registered Office: Library House, New Road, Brentwood, Essex, CM14 4GD. Registered in England No. 258414

* 100,000 miles for Koleos, Laguna and Espace.

* Note: this does not apply to vans or Renaultsport cars.

CUSTOMER SERVICES

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Service Department on **0800 072 3372** (Mon-Fri 8.30am to 5.30pm).

You can also visit our website www.renault.co.uk Or write to us at: **Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS. www.e-guide.renault.com**
